- Anti-fingerprint and Smudge proof with Oleophobic coating
- Perfect optical clarity and touchscreen responsiveness
- Safety beveled edge
- Easy and bubble-free installation for a perfect fit

PS500-IPHN6PLTPG-3E

Overview

Looking to protect your iPhone 6 Plus from screen shattering impacts? The V7 shatter proof tempered glass screen protector has a 9H hardness rating to protect from screen impacts while preserving the optical clarity and touchscreen responsiveness. The Oleophobic coating is also fingerprint resistant and smudge proof. The edge of the screen protector is beveled so there are no sharp edges for safe use. The quick and easy bubble free installation is the perfect fit for your iPhone 6 Plus.
